“ Peggy was a kind woman and it was obvious that she loved her family with all her heart. She raised a wonderful family and will be dearly missed. She and Paul will now be together again and thank you both for making the world a better place in many ways.

“ Some tributes from family:

Grandma, your dance card is full once again. Thank you for all the wisdom and guidance you have given me the last 26 years. I will always love you. All the love you've shown me has shaped me into the woman I am today. Our movie days will come again.

(a grand-daughter)

I have a new angel looking down on me and my 20+ cousins. Grandma Peggy was an extraordinary woman. As hard as it is losing such a huge part of our life and family, it is comforting knowing her love is up there watching over us. I think she was ready to share a beer and burger with Grandpa again. Rest in paradise Grandma (a grand-daughter)

Mom's journey to be with dad is complete. She fought hard to stay with us till all 6 of her children could be by her side. Very peaceful, very loved and very missed.

Whenever I'd come to visit Peggy, trying to make her feel better, she would lift ME up and brighten MY day.

Poppa & Momma,

We ask ourselves why we have been blessed with parents

So understanding and so caring...

Perhaps it's because we can truly appreciate you
Or maybe it's because God knew we needed you so much
(daughters 1985)

Peggy was an incredibly strong and amazing woman who raised 6 children: Tom, Bill, John, Connie, Minnie and Cynthia. She spent her entire life teaching, guiding and caring for her family, raising her children, grandchildren and great-grandchildren with exceptional values, steeped in good faith and a strong belief in God. She and Paul, who passed last June 1, will soon be reunited in Heaven, after she is greeted by Jesus. I feel honored to have known, loved, and learned so much from my Mother-in-law. I already miss her dearly. Rest in peace, dearest Peggy... tonight I am raising a glass of wine, as we so often did together, in your honor - to thank you for all you've done for me over the years. With all my love.
(a daughter-in-law)

Momma, I've told you often how grateful I am for the love, the patience, the guidance you gave us all for so many years. Though you never let on, I've come to know many of the unbelievable struggles you faced and I am still amazed at how you handled each and every one. Raising us mostly on your own for 20+ years was accomplishment enough. Finding such a good man to marry who would be a wonderful father to us all was just keeping in line with your priorities and values. Your constant love and devotion to each and every one of us insured the loving family we all enjoy today, and will forever. We'll miss your physical presence Momma, but we know you will be with us always, not just at our family gatherings, not just when we're singing our favorite songs, but every moment of our lives, watching over us and guiding us with your love as you always have.
