“ *Aunt Rosetta was the sweetest aunt. I have so many fond memories of the times I visited her during summer vacations. From blonde brownies to trips to the zoo, and many visits to the ice cream store. She was a gem and I am so grateful for her wonderful presence in my life. Much love to my cousins- Rick, Ron and Bob and to all the family. Big hugs!!!*

“ *Dear Aunt Rosetta has always been a momentous influence in my life. Her extraordinary zest for life was evident in her love and adventures with her immediate and extended family. Immersed with me are fond childhood memories of overnight stays with Aunt Rosetta , Uncle Juney and my Cousins. Among them would be my first camping trip, and road trips to Canada for the Steinman family reunions. Later in life would be a special trip to the Albright-Knox art museum. Her visits to Florida were always welcomed. I especially liked Uncle Juney tinkering in my garage while Aunt Rosetta and I talked the day away. A special place in my heart was when Aunt Rosetta came to Charlie's and my wedding at the young age of 93. My love and comfort to Bob, Rick and Ron and their families. May Aunt Rosetta's enchantment for life remain with us always.*

“ Rosetta and my mother, Esther (Eichorn) Carpenter were life long friends, both growing up and attending the same church in Clarence Center, New York. After most of her family moved to Michigan, my Mother reluctantly moved from her beloved New York, leaving her friends to be near her family.

Our family made quite a few trips to New York for reunions and funerals. Rosetta graciously hosted our family of six if we needed a place to stay. She hosted my brother and his family when they went on a ‘Mennonite your Way’ vacation and needed a place to stay in the Clarence area. They still talk about how gracious and kind she was to them.

We continued to stay in touch with cards, letters and visits with Rosetta and Ammon thru the years and when they moved to Goshen; Mom and I attended his funeral service.

Rosetta faithfully remembered me with a card and letter on my birthday and at Christmas time for many years. My Mother and I always talked fondly about Rosetta ~ she was a faithful friend thru the years...now they are enjoying heaven’s splendors together, along with so many of their family and ‘Clarence Center’ friends.

When people comment about my name, I tell them about Mom’s friend ~ a very lovely lady; stately, gracious and kind, with beautiful white hair and the sweetest smile! I’m honored to have been named after her!

My condolences to the family and all who knew and loved Rosetta.

“ To Rosetta's children and grandchildren: Rosetta is a person I have held closely in my heart - I just loved visiting with Rosetta during the years I was one of the pastors at Waterford Mennonite Church. I also remember meeting several of you during those years, when you would come visit. She loved you, her family, so very much. I have received Christmas cards from Rosetta in her beautiful handwriting up until this past Christmas. I love the way that Rosetta would speak her mind honestly, the way that she was open to doing things differently, her elegance and her independence. She loved her Clarence community and missed those friendships after she moved to Goshen. I will miss Rosetta's earthly bodily presence in this world. She was a gift and she will go on being a gift because of her spirit and her contributions to you, her family, and to her church families in Clarence, NY, and Waterford in Goshen. I wish I could gather with you all to remember her together, but I am here in Tucson, Arizona. Please know that I am sad to know she is no longer with us here, but I am SO glad to have known her. She enriched my life. With much love, Tina Schlabach

“ *Rosetta took me and my siblings to her church for vacation Bible school in the summer from the time I was old enough to go. It was the seed I needed to start my walk with Christ. I always will be grateful to Rosetta for her service to Him and her example. Love you birthday twin ❤️*
